JUNIOR vs. INSTRUCTOR
SMALLBORE RIFLE MATCH
March 14, 2005

Instructors Win Again

	<u>Juniors</u>		<u>Instructors</u>	
Standing:	Becky Schweinfest	71	Ron Benge	82
Kneeling:	Cody Schindler	85	Larry Christy	88
Sitting:	Deanna Schindler	86	Gary Schweinfest	82
Prone:	Scott Needleman	<u>96</u>	Lew Lucas	<u>93</u>
	Team Score 338		Team Score 345	

Six Instructors and thirteen Juniors shot in the match. All competitors shot with iron sights. Ten shots were fired for record on the NRA A-17 target at 50 feet. Juniors and Instructors shot on the same relays. The best four scores from the Juniors and Instructors were used to make up the team scores.

The Instructors feared they were going to get beat by the Juniors since some of the Juniors had been shooting excellent scores all year. The Instructors did not want another year of heckling from the Juniors. Then to make the situation worse, Lew Lucas had left work sick at noon and the other Instructors thought he would not be there. Larry Christy was also a little under the weather. To the Instructors surprise, before the night was over it appeared the Instructors practiced what they had been preaching to the Juniors and ended up the winners, giving the Instructors bragging and heckling rights for the year.
