

2006
JUNIOR vs. INSTRUCTOR
SMALLBORE RIFLE MATCH
March 20, 2006

Juniors Win

	<u>Juniors</u>		<u>Instructors</u>	
Standing:	Brandon Dietz	75	Ron Benge	74
Kneeling:	Cody Schindler	90	Larry Christy	81
Sitting:	Austin Riley	80	Gary Schweinfest	83
Prone:	Noah Daughhete	<u>88</u>	Gary Schweinfest	<u>93</u>
	Team Score 333		Team Score 331	

Three Instructors and thirteen juniors shot in the match. All competitors shot with iron sights. Ten shots were fired for record on the NRA A-17 target at 50 feet. Juniors and Instructors shot on the same relays. The best four scores from the juniors and Instructors were used to make up the team scores. Only three of the five instructors were present, therefore Gary shot in two positions.

The Instructors feared they were going to get beat by the juniors since some of the juniors had been shooting excellent scores all year. Lew Lucas was out of town, and Art Balph was out due to sickness in the family. Then to make the situation worse, Ron Benge's rifle would not fire after his first shot for record and he had to use one of the junior rifles, which was too small and not zeroed for Ron. To the Instructors disappointment they lost to the juniors by two points, giving the juniors bragging and heckling rights for the year.
